

IMPORTANT MESSAGE FOR INTERNET BANKING USERS

**Farmers & Merchants
Bank of Ashland**

402-944-3316

1-800-216-1144

MEMBER FDIC

We are converting to a new internet banking platform on **JUNE 4, 2019**. If you are an internet banking user please check that we have ***your current email address***. To check and/or update your information online select “Services” - “Change Info”. At conversion, new log in information will be sent to your email address on file.

MOBILITI USERS - The current “Touchbanking” app will be replaced with a new Farmers & Merchants Bank app.

BILL PAY USERS – “Check free” online bill pay will be replaced with “iPay”. Bill pay vendors will not convert and will need to be re-entered into the new “iPay” system. We apologize for this inconvenience but we feel the new bill pay features are more robust.

Our new Internet Banking product will enhance your digital banking experience and will include some new features such as account aggregation, real time notification, and P2P transfers.

Please visit our website at www.fmbankashland.com or call us for new information.
